Imperial Animal Hospital

Caring Hearts, Tender Hands

We at Imperial Animal Hospital strive to provide advanced, individualized, and compassionate care for your pet. This special program is specially designed for **cats over the age of 7 years** and allows you to get everything your cat needs at a substantial savings.

Feline Comprehensive Wellness Plans for cats 7 years and older	Value	#3	#4
Comprehensive Wellness Exam	$60	🐾	🐾
FVRCP Combo vaccine for feline herpes virus, calicivirus, and panleukopenia virus- core vaccine recommended yearly for indoor and outdoor cats.	$28	🐾	🐾
1-year rabies vaccine Core vaccine and also required by law in dogs and cats. 3-year rabies vaccine for an additional $37 -preferred vaccine for pets that have history of vaccine reactions due to decreased frequency.	$32	🐾	🐾
Intestinal parasite test* Test results within 48 hours. CDC recommends intestinal parasite screening at least once a year.	$35	🐾	🐾
Pedicure Who doesn't love a fresh nail trim?	$25	🐾	🐾
Blood chemistry, 25 values, and SDMA* Total body chemistry offers a more in-depth assessment of the liver and kidneys plus helps to identify diseases that often go undiagnosed in the early stages, such as hormone disorders, gastrointestinal disease, some types of cancer, and metabolic abnormalities	$200	🐾	🐾
Complete blood cell count* Screens the red and white blood cells plus platelets in the body for abnormalities such as anemia, immune system malfunction, infection, and clotting abilities.	$60	🐾	🐾
Total T4* Tests the level of thyroid hormone in the blood. Excessive thyroid hormone (cats) causes weight loss, increased appetite, soft stool, litter box habits and behavior changes.	$55	🐾	🐾
Complete urinalysis Screens for infections, kidney function, diabetes, crystals that can lead to bladder stones, risk of bladder cancer, and protein in the urine.	$60		🐾
Value:		$495	$555
