

# Imperial Pet Lodge

Here at the Pet Lodge our well educated and loving staff strive to give the best care possible to our guests. All of our spaces are indoors with time outside four times a day. Each pet has their own safe and clean space.

We recommend owners bringing their own food to help prevent digestive upset. We ask that all other personal items remain at home. We are happy to provide bowls, bedding and toys. If a pet is on medication we ask that the medications remain in the original container(s).

## Bathing/Pedicures

We offer bathing and pedicure services for our guests. We like to pamper them while they are on vacation too. We typically schedule grooming towards the end of their stay so they are fresh and clean for their families. Please inquire about grooming at time of booking, as our groomers' schedules fill quickly.

## Pet Activities

Each week, we rotate a pet activity that our guests can enjoy. Ask a reservation specialist for details.

## Facebook Pictures

We enjoy capturing fun moments and posting them to our Facebook page. Ask for details at check-in.
